

WHAT I LOVE ABOUT BROOKLYN

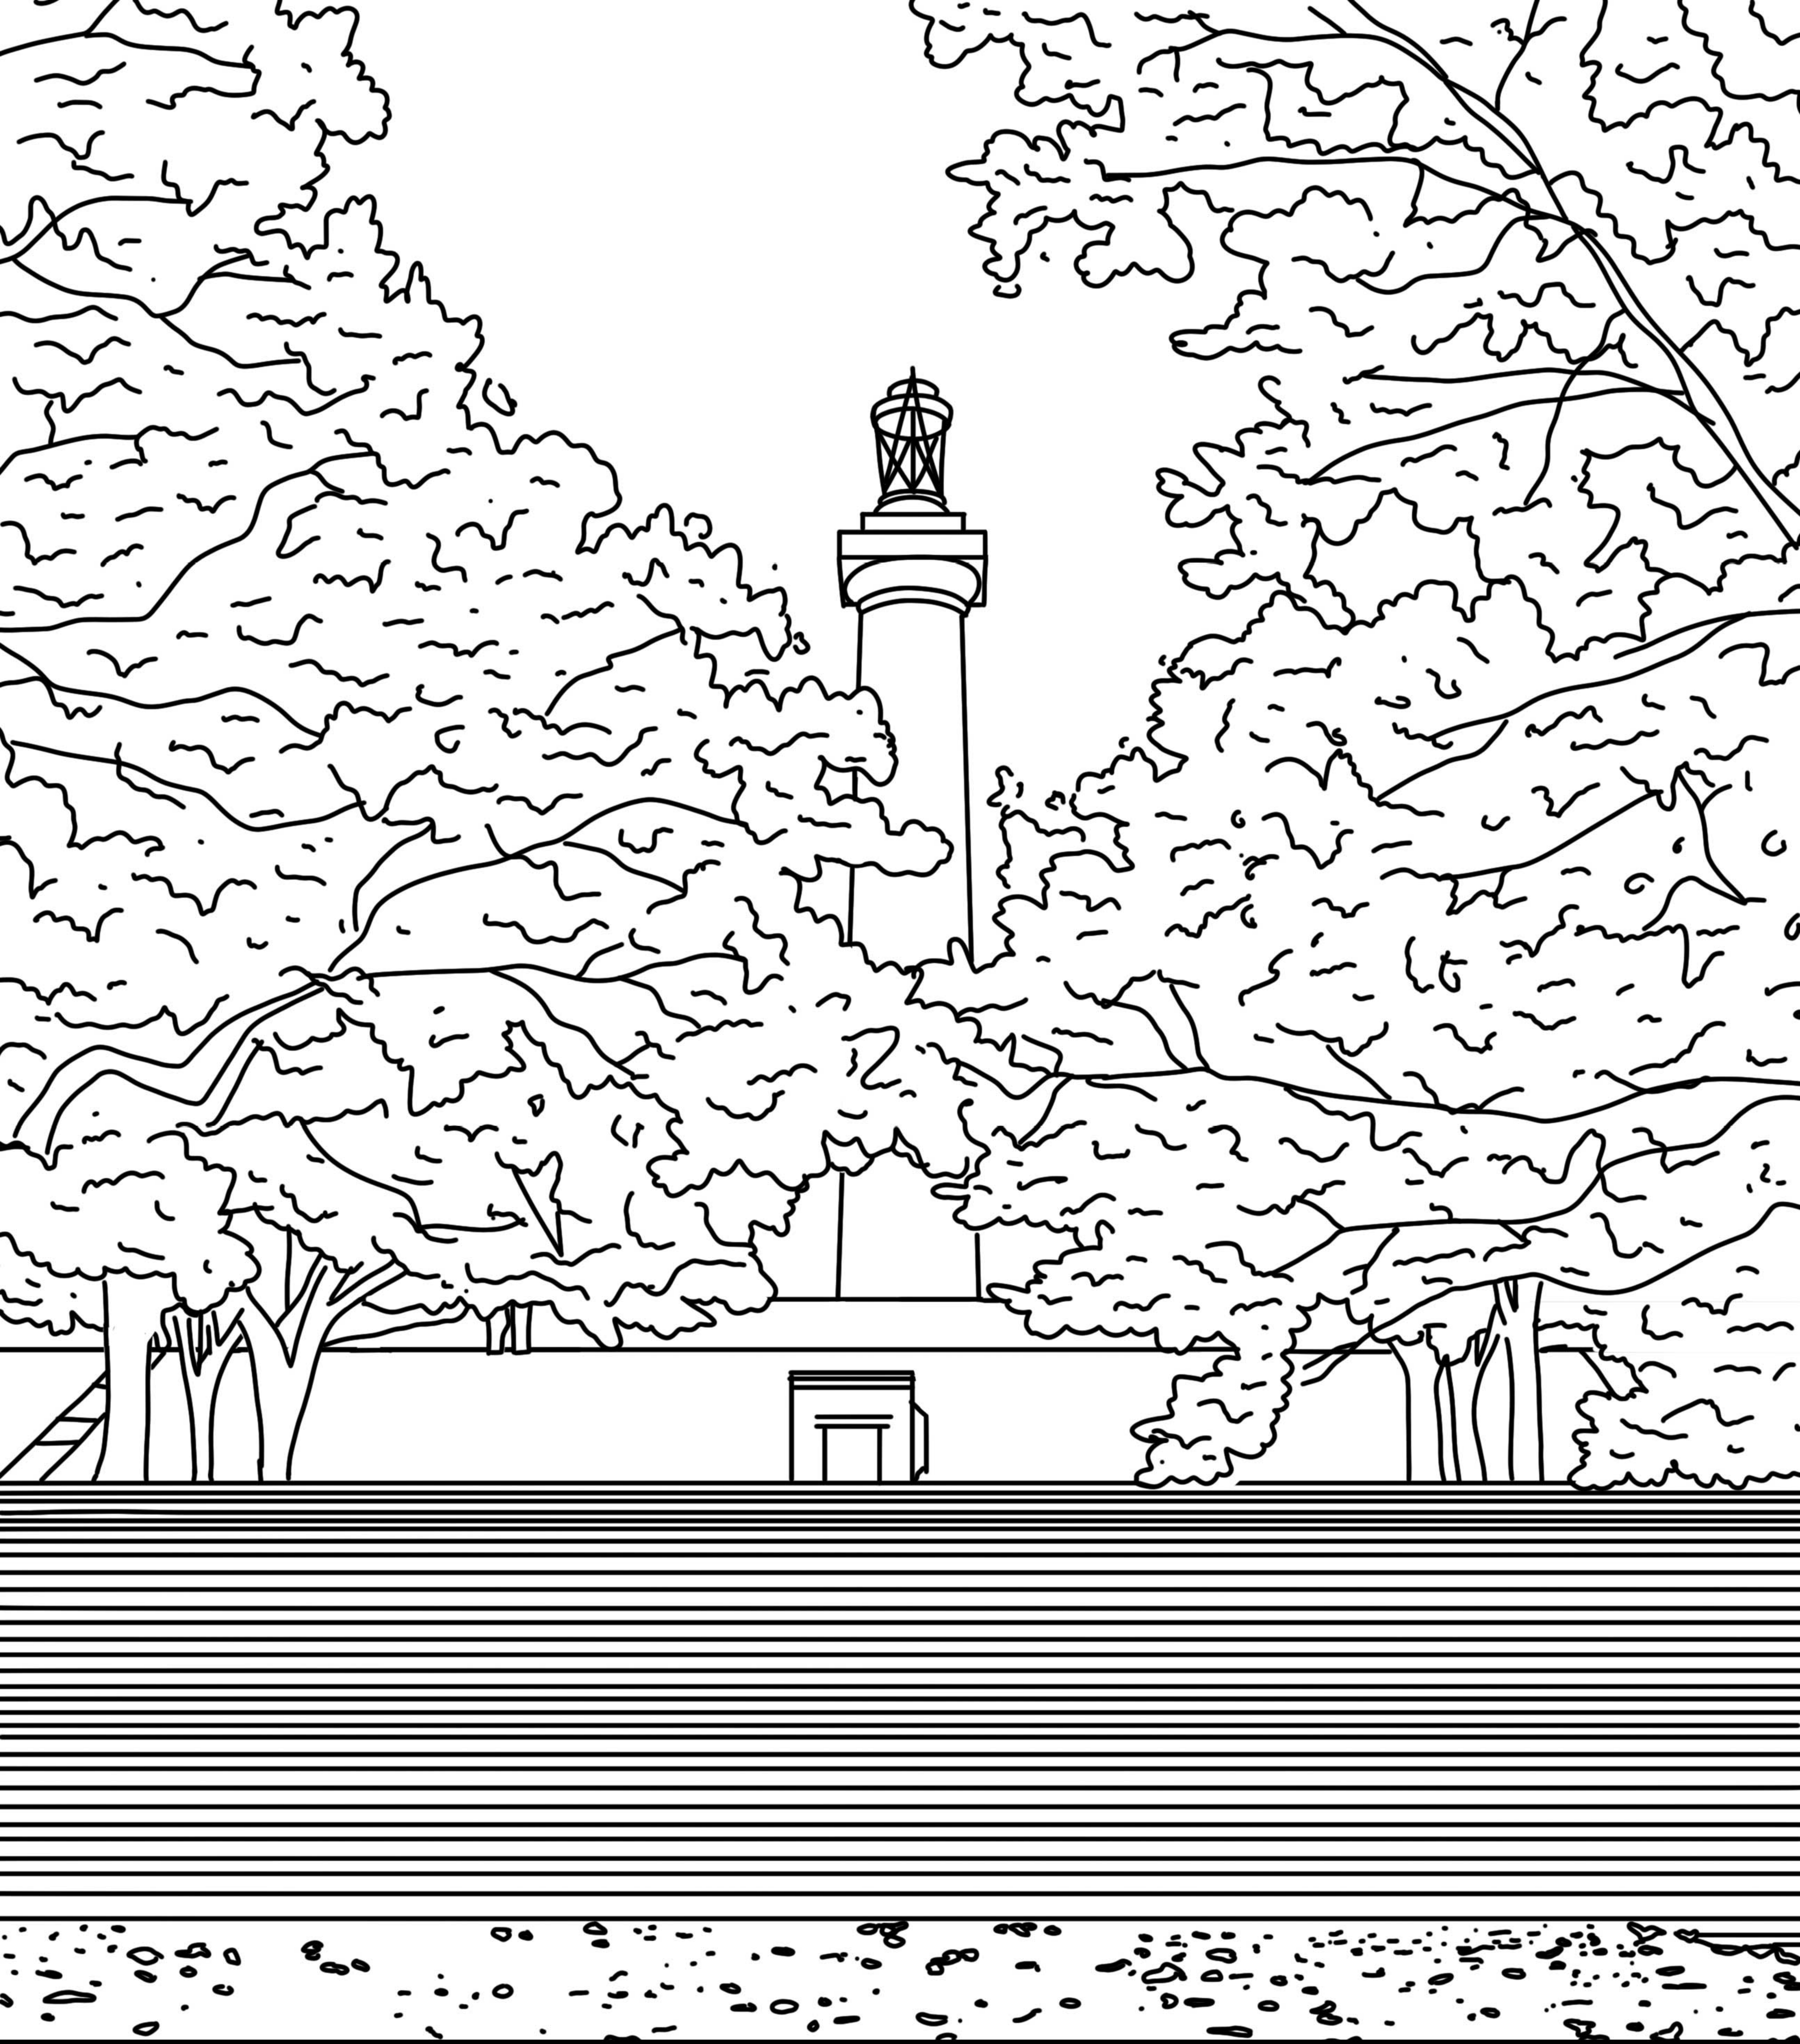

By Ava

Hi! My name is Ava!
I am 8 years old and live in Brooklyn.
Let me show you some of my favorite places!

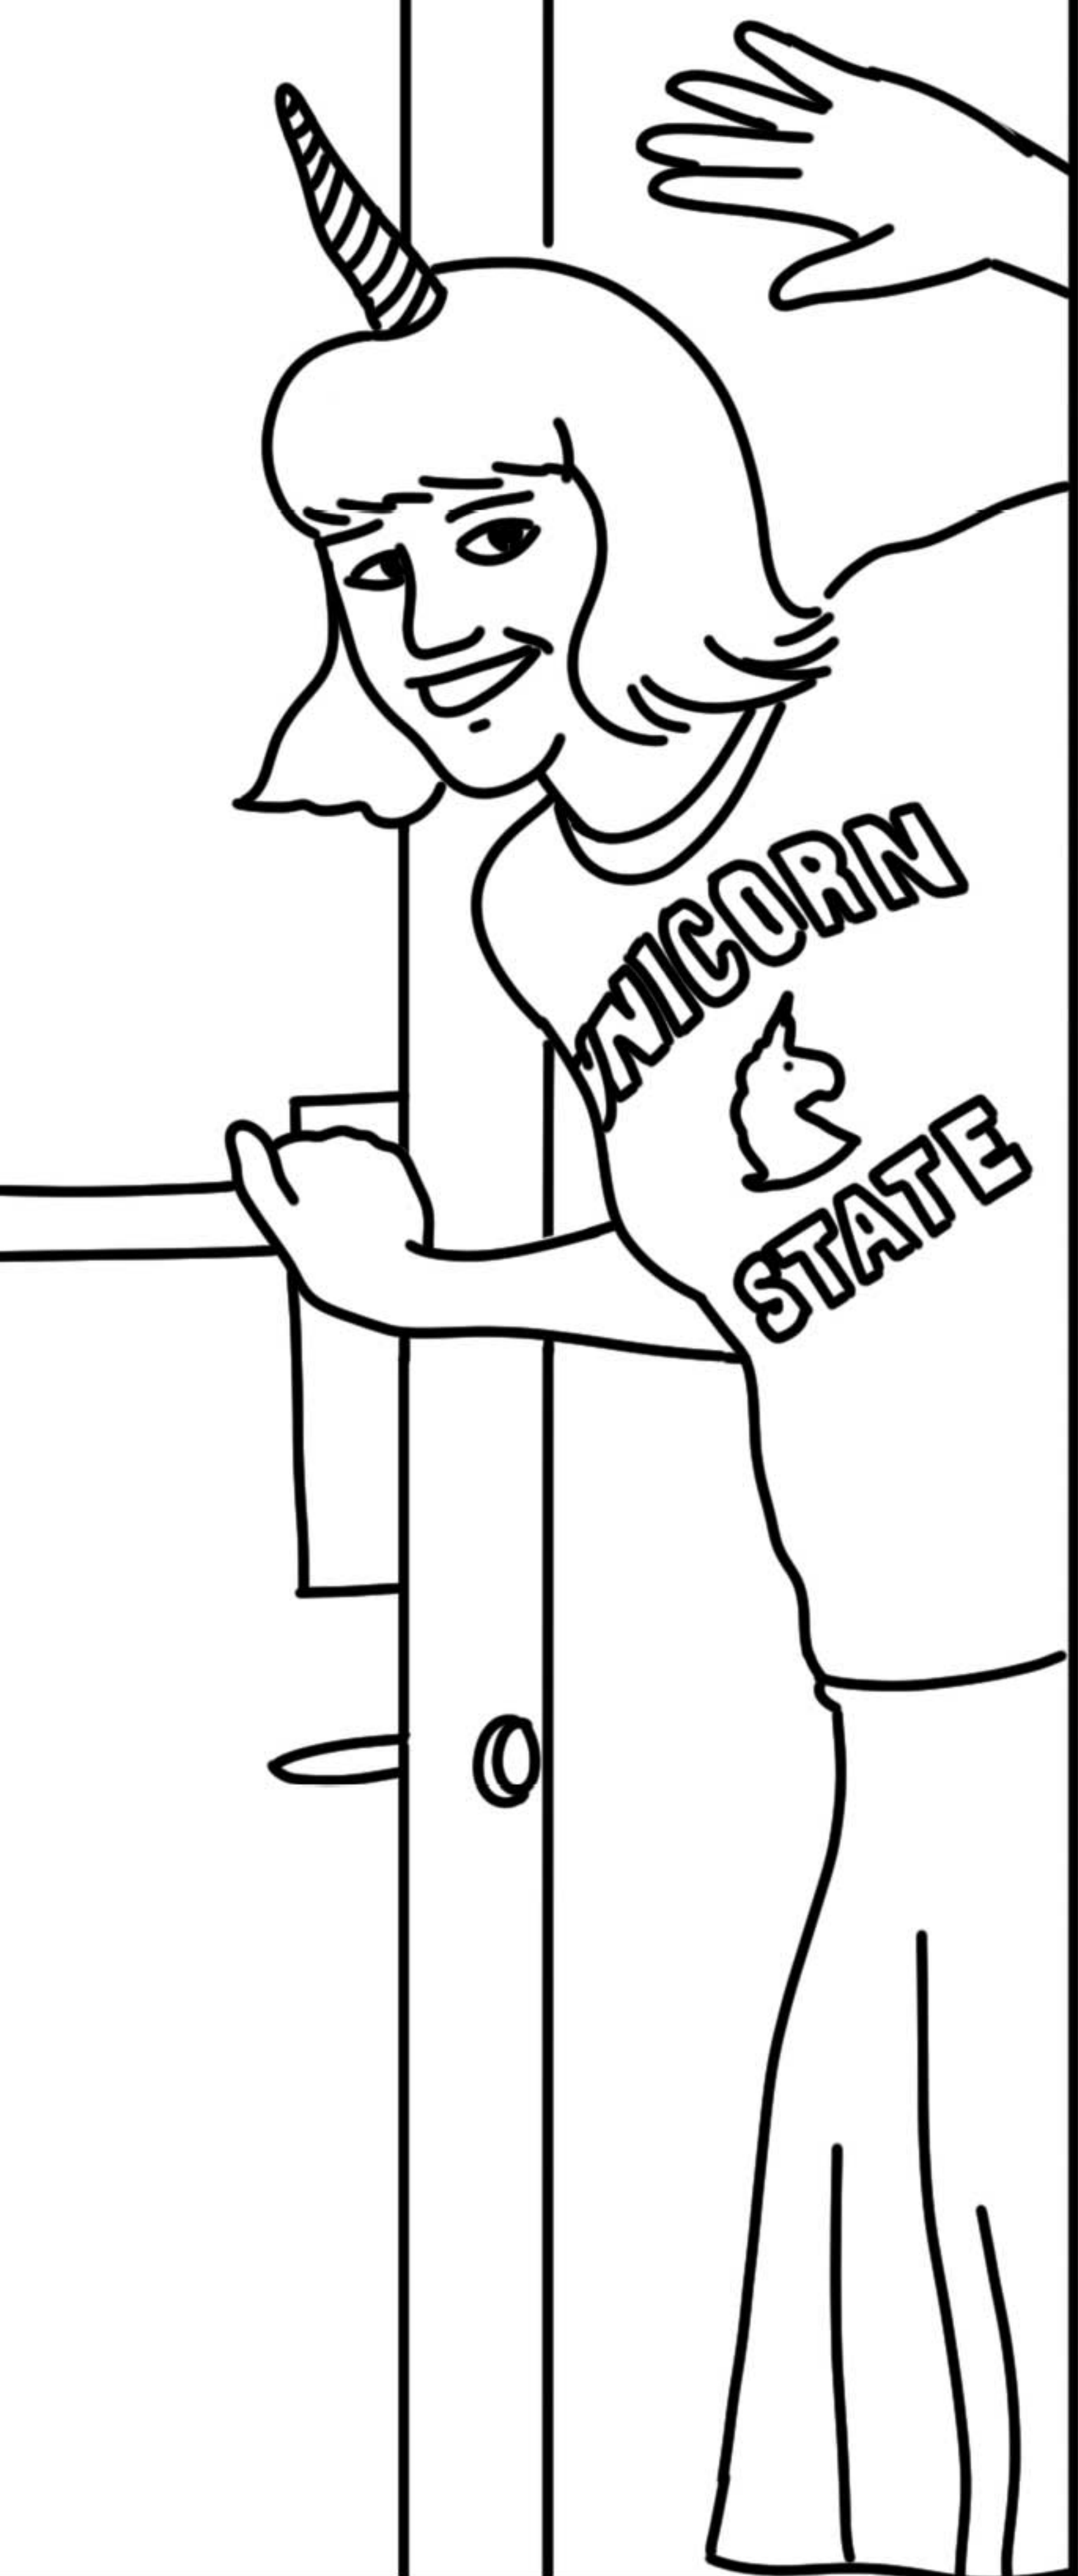

I like going to the Prospect Park Zoo
and seeing all the different types of animals,
especially the sea lions!

Fort Greene Park is very hilly.
Have you ever run up and down the steps really fast?

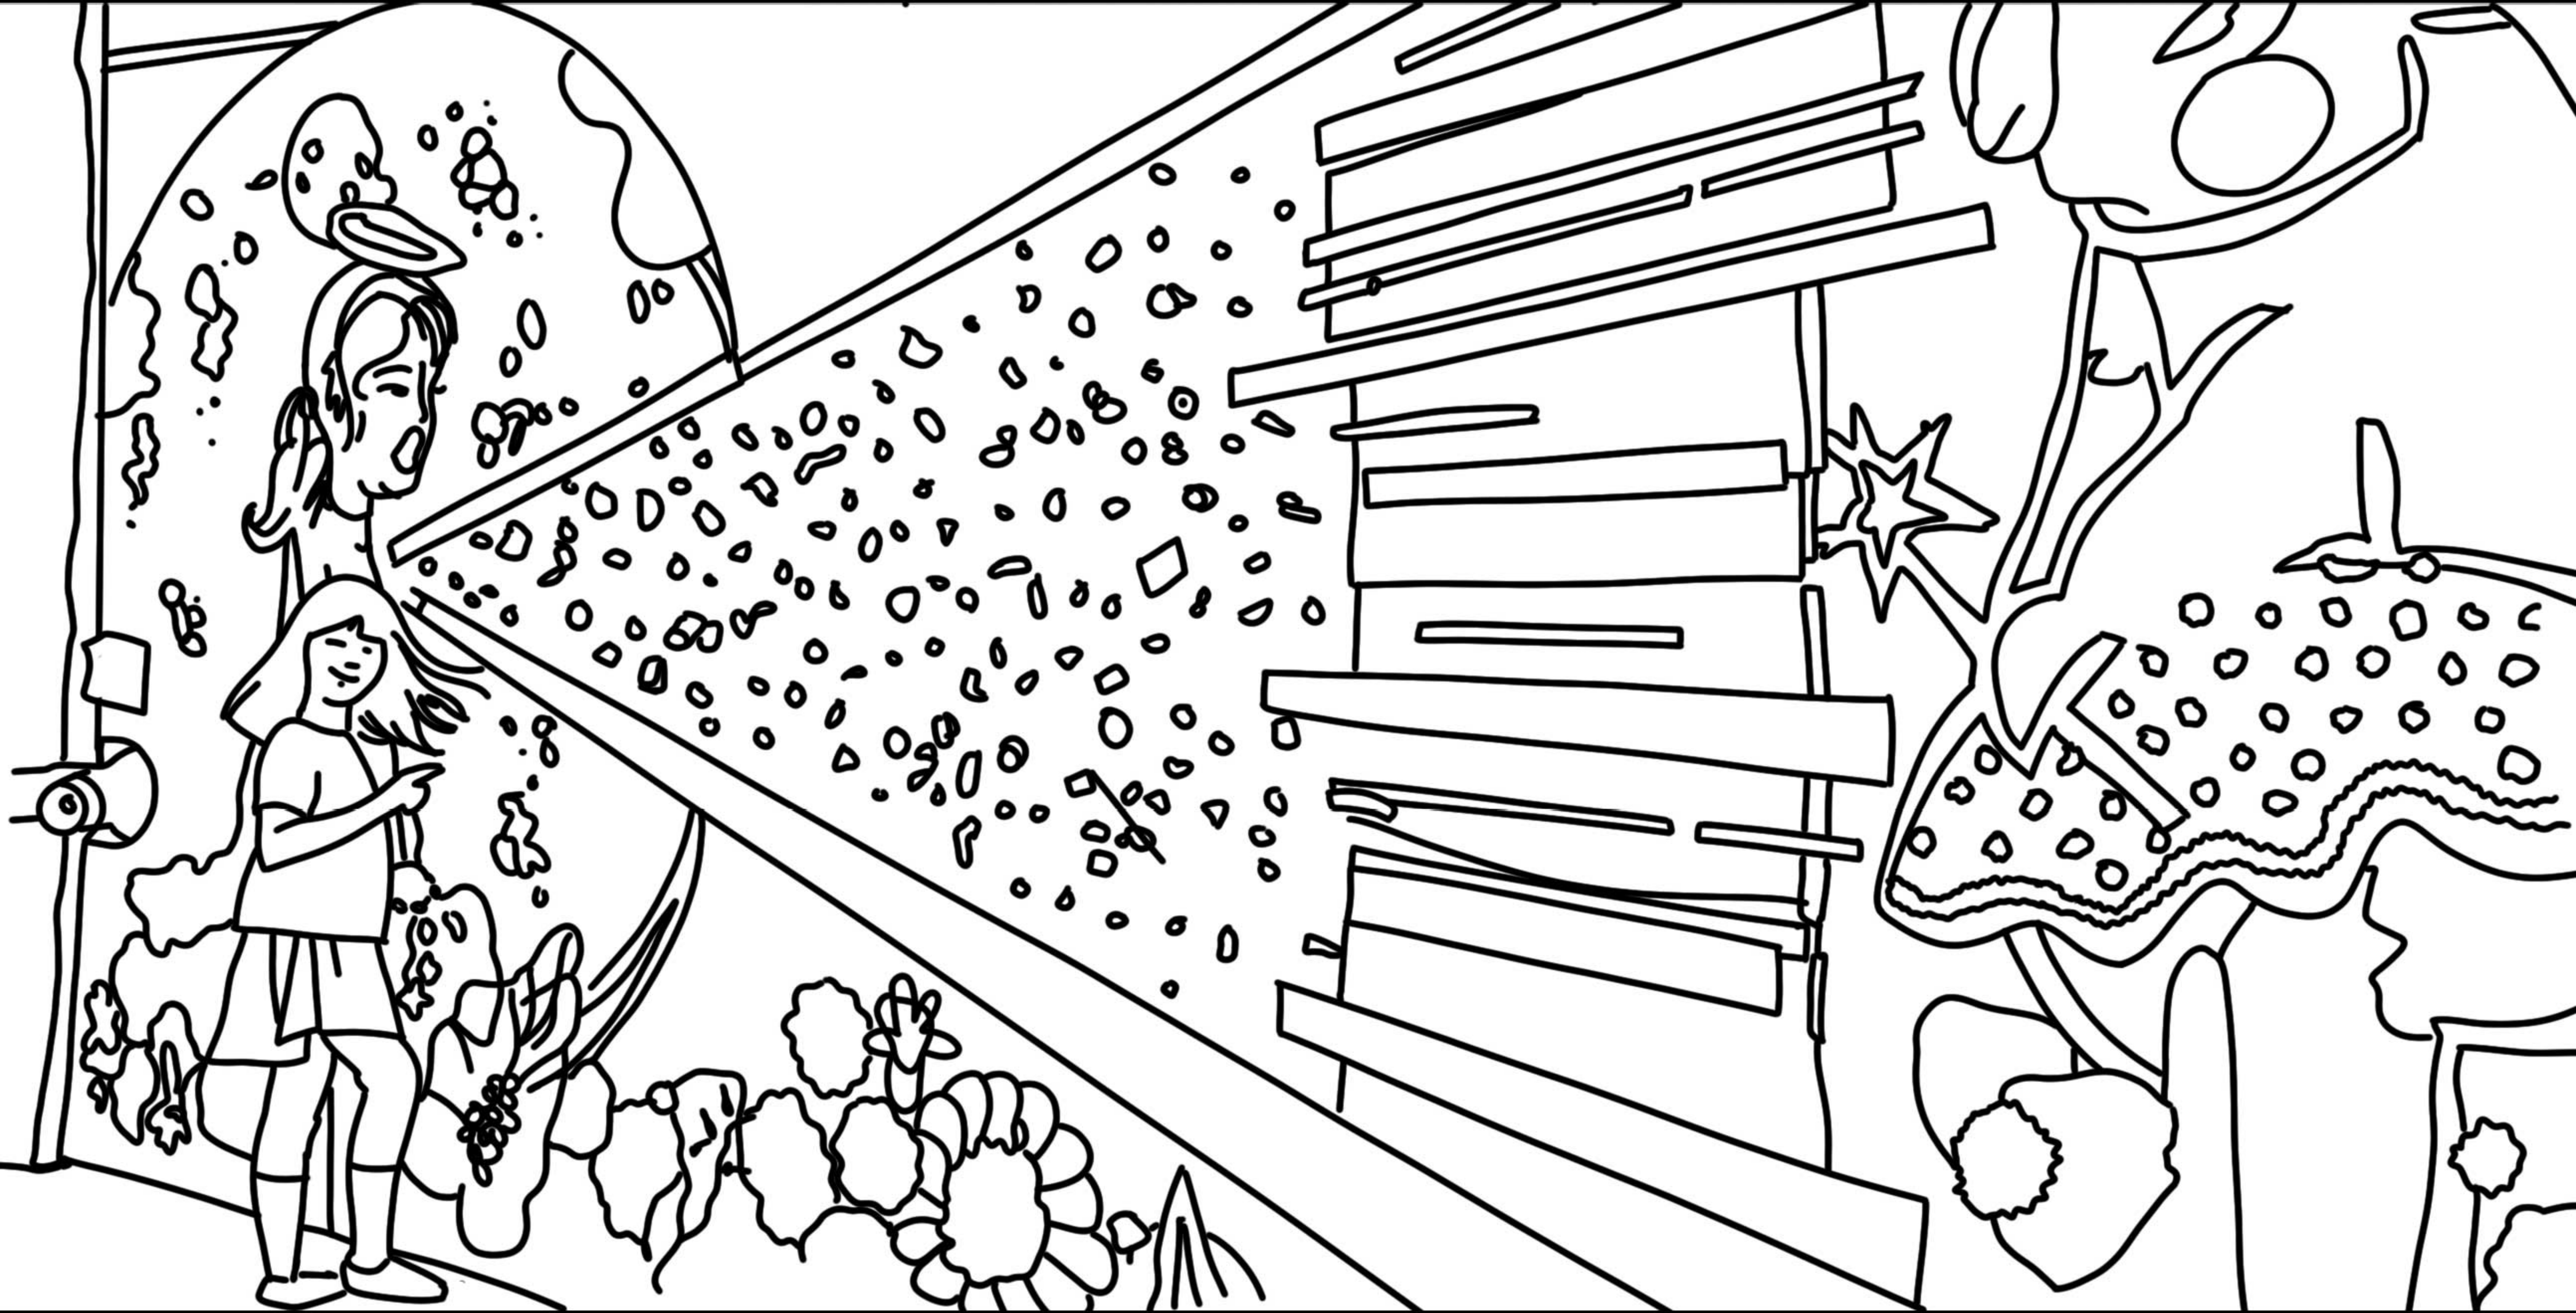

BROOKLYN OWL

Unicorns are real!
Did you know Brooklyn has its very own unicorn
horn store with a magic mirror that talks to you?

For fun movie nights or special performances,
my parents like taking me to the
Brooklyn Academy of Music (BAM).

We walk a lot in Brooklyn!
There is so much cool streetart to look at!

The houses are very beautiful too.
My mom likes to take pictures in Clinton Hill for her
#mansionmondays series on Instagram.

Clinton Hill, Brooklyn

Best of all, I love my neighbors! Will you be mine?
We meditate outside on the stoop every Thursday morning.
Feel free to stop by. It's free!
