

A visit to ChildSmiles!

Mom said it's time to go to the dentist for a check-up,
but I don't want to go.

The other doctor's office before was scary,
but Childsmiles is big and colorful.

Mom is talking to the smiling ladies at the desk,
but I'm more interested in the games.

I am nervous when we get called in, I'm scared of doctors.

Dr. Natalie is really nice, she gave me a toy and told me about everything that she was going to do.

Dr. Natalie cleaned my teeth, and it didn't hurt at all!

It wasn't scary at all like I thought, Dr. Natalie is my new favorite doctor!
