**Dale Perkins** is a renowned local watercolor artist. To me, though, Dale is a dear friend, a creator, and an eternal optimist. He's lived in Burlingame for over 50 years and is beloved by many in the community. Dale taught art for decades in the Burlingame schools.

In this coloring book, it's an honor to share my latest commission of Dale's works of highlights of our community including local schools, landscapes, and parks. Check out our interview with Dale on our [650Stories.com](https://650Stories.com) website. Dale's website is [sfwatercolors.com](https://sfwatercolors.com).
